University of Vienna
Physics Colloquium

The Physics Colloquium is a series of public lectures hosted by the Faculty of Physics of the University of Vienna, featuring internationally renowned speakers covering the full breadth of our fields of research.

The goal of these Colloquia is to bring together the entire Faculty, including students, to foster our spirit of community and promote a stimulating exchange of ideas from the cutting edge of science.

Events in the Winter Semester 2022/23

**14 November 2022**
**Julia Yeomans**
University of Oxford, UK

**12 December 2022**
**Helga Kromp-Kolb**
University of Natural Resources and Life Sciences, Vienna

**23 January 2023**
**Anton Zeilinger**
University of Vienna & Austrian Academy of Sciences

The aim is to make these lectures a permanent fixture on our Faculty’s monthly calendar, and planning for the upcoming Summer Semester is already underway.
